Edge banding specifications depend on boards chosen by customer, in some instances we may not be able to deliver all options in list on all board types. In this situation, we will provide notification

Edge band to match décor of board specified unless otherwise stated by customer.

**Please be aware that boards require a trim cut on all 4 edges before starting your cutlist. Sizes above are raw sizes before trimming.**

**As an approximate guide, please allow 15mm for trims cuts on all sides and 4.5mm for the saw kerf.**

Nominal thickness size is a guide only and may differ by up to 1mm either way depending on manufacturer and atmospheric conditions

Some board decors may be single sided and have a different blank décor or no pattern on the reverse of the board. Please ask for confirmation.
